

DESTINY® CUSTOM REPORTING SERVICE

TURN YOUR DESTINY RESOURCE MANAGEMENT SOLUTION™ INTO A CUSTOMIZED TOOL FOR DATA-DRIVEN DECISION-MAKING!

- Create flexible reports designed to your specifications.
- Help fulfill state, district and federal reporting requirements.
- Eliminate staff time for programming and maintaining complicated reports.

YOUR DISTRICT IS UNIQUE. YOUR STUDENTS ARE UNIQUE. SO ARE YOUR REPORTING NEEDS.

If you use Destiny Library Manager™, Destiny Textbook Manager™ or Destiny Media Manager™, you've produced a significant amount of valuable data. Now, for your more complicated reporting requirements—district, state and federal reports that must conform to advanced specifications—there's an easy and fast solution. Destiny Custom Reporting Service puts the expertise of Follett's database specialists at your command, transforming your library and textbook data into strategic decision-making information.

- **Better, faster, more efficient decisions:** By making better strategic decisions, you eliminate waste and redundancy. The bottom line—you get the specialized information you need quickly, in time to make money-saving decisions that better serve your student population.
- **Help compile information defined by federal, state and district requirements:** Make certain all administrators get precisely the information required by law, regulation and policy.
- **Complex, high-end reports are a snap:** Get the benefit of advanced reports without delay and error. Save the time and frustration of complicated programming. Your custom report not only works great, it looks great, thanks to our professional design.
- **Built to your unique specifications:** Custom reports for Destiny are tailor made to fit your data and reporting requirements.
- **Access reports anywhere, anytime:** Destiny custom reports are instantly available to authorized users, from any browser-equipped computer.

Destiny Custom Reporting Service puts the expertise of Follett's database specialists at your command, transforming your library and textbook data into strategic decision-making information.

DESTINY® CUSTOM REPORTING SERVICE

WHAT CAN DESTINY CUSTOM REPORTING DO FOR YOU?

For Administrators:

- Provide reports to help meet district, state or federal requirements.
- Make fact-based decisions for efficient use of district resources.

For Technology Directors:

- Reduce staff time devoted to manually programming reports.
- Eliminate time and frustration compiling mandated reports.

For Media Specialists & Textbook Coordinators:

- Timely, trouble-free access to needed reports.
- Spend less time compiling data, more time making informed decisions about your collection.

HOW DESTINY CUSTOM REPORTING SERVICE WORKS

Nobody knows Destiny better than the engineers who created it. Using our knowledge of the Destiny data structure, we work with you to help define your needs.

Here's how to get a Destiny custom report:

- You and a Follett database specialist discuss your needs in-depth.
- Follett programs the report to your specifications and you review and approve the results.
- The report is integrated into your Destiny solution, so you can run it at any time, from any computer with a browser.
