Powerful Library Management Made Easy.

## DESTINY SCHOOL IS SO EASY!

- Built for K-12
- Learn it in minutes, not days
- Create reports in 1 step

## NOW THERE'S AN EASY WAY TO MANAGE YOUR SCHOOL'S LIBRARY...WITH DESTINY™

### THE EASIEST LIBRARY MANAGEMENT SYSTEM YOU'VE EVER SEEN

Destiny makes managing your library so much easier. It gives you everything you need—circulation, cataloging, searching, reporting and management—in one easy-to-use solution. And it runs from your web browser—no more complicated programs to learn!

### AT LAST—A LIBRARY SYSTEM THAT DOESN'T TAKE DAYS TO LEARN!

- **EASY:** Destiny's uncluttered screens put everything right where you need it. Learn it in minutes, not days.
- **FAST:** Cataloging is a breeze with integrated, instant access to six million MARC records, plus Z39.50 client and server support.
- **CONVENIENT:** Librarians can manage the library when they want, where they want—from any web-enabled computer, at school or at home.
- **TIME-SAVING:** Save staff time wasted in re-entering student data. Destiny is SIF compliant, so it interfaces directly with your school's student information system. (SIF Agent required).
- **FLEXIBLE:** Interactive reports and functions conform to your needs.
- **POWERFUL:** Access more data, faster and more reliably.

### SUPPORT LEARNING AND RESEARCH ANYTIME, ANYWHERE

- **ANYWHERE, ANYTIME:** Students, parents and teachers get home access to library resources.
- **STUDENT-FRIENDLY:** Choose from text-based or graphic-based searching for students of all ages and abilities.
- **SUPPORTS STATE STANDARDS:** Help educators meet State Standards goals through standards matched to web sites and library materials.\*
- **CURRICULUM SUPPORT:** Categories, booklists and reading program support tie your library to the curriculum.
- **AGE-APPROPRIATE:** Help students find age-appropriate web sites and library materials.\*
- **FIND MORE RESOURCES:** More efficient searching with combined access to your collection and online databases.\*
- **REDUCE TEXTBOOK LOSSES:** Destiny even helps manage textbook check-in and check-out. (Available for an additional fee).

\* Available as subscription services for an additional fee.

### Destiny makes library management faster and more convenient:

- Easy and fast
- Learn it in minutes... not days
- One completely browser-based system, not multiple modules
- Anytime, anywhere library management
- Designed just for K-12
- Access from any computer in your school

Follett  
Software  
Company  
A Follett Corporation Company

Powerful Library Management Made Easy.

## POWERFUL, EASY TO USE, A SNAP TO LEARN... THE FUTURE OF LIBRARY MANAGEMENT

Destiny isn't just powerful – it's flexible, too. You control and customize Destiny to your school's needs:

- Built for K-12 schools; no "work-arounds" or inappropriate fields.
- Select age-appropriate functionality for students.
- Choose options for older students and fluent readers or graphic-based screens for emerging readers, struggling readers and ESL students.
- Customize to fit your school's individual circulation policies, holdings and reading programs.

## EASY REPORT FUNCTIONS

Destiny makes it a breeze to generate the reports librarians need:

- Users can create their own individualized reports.
- No special training or software required.
- Quickly generate reports of library activity, late fines, bibliographies and more.

Flexibility, convenience, power. The kind of quality you'd expect from Follett, the number one software in school libraries.
